- ❑ Nut-free classrooms

Tuition & Enrollment Options

We believe children have a right to receive a high quality early childhood education. Therefore it is essential that we invest in, value, and support our faculty by providing a comprehensive benefit package, competitive salary, and ongoing professional development. Your child will directly benefit from the personalized attention, small group interaction, and quality of experiences provided at Stony Brook School.

We intentionally provide:

- Small class sizes
- Low student to teacher ratios
- An engaging learning environment
- High quality learning materials
- Weekly correspondence with families and individualized learning portfolios for each child
- Daily time for teachers to plan and document children's learning
- Ongoing professional development training
- Competitive salary and benefits for teachers

5 days	\$1965	\$2139	\$2255	\$2360

PLAY Is A Powerful Tool for Learning

Our classrooms provide a unique, sensory rich environment, filled with high quality learning materials that provoke children's curiosity, foster a spirit of collaboration and inquiry, and encourage social engagement.

Our experienced teachers combine their understanding of child development with their observations and the emerging interests of children, to prepare thoughtful learning environments that invite children to make further discoveries, generate new ideas, experiment, and make meaning of their learning within the context of their play.
